Executive Summary

The Local Transportation Authority (LTA) administers and operates public transportation services in San Benito County under the name of County Express and Jovenes de Antaño. County Express offers public bus service on routes in Hollister and to Gilroy. Additionally, County Express offers complementary Paratransit and Dial-a-Ride service in Hollister and San Juan Bautista. The Local Transportation Authority contracts with Jovenes de Antaño, a non-profit organization, to provide specialized transportation services for the elderly and people with disabilities.

The Local Transportation Authority's total proposed budget for FY 2020/2021 is \$3.9 million. This Budget includes contracts for transit operations for County Express and Jovenes de Antaño. The FY 2020/2021 Budget proposes an overall increased in expenditures. The FY 2020/2021 Budget proposes to keep the existing staffing level the same as the current year with only authorized positions filled. The Services & Supplies line item has increased due to the Public Transportation Modernization, Improvement and Service Enhancement Account funding for purchase of buses. The Contracts line item decreased due to the completion of contracts.

Due to the COVID pandemic the fare revenue will be low. Congress passed the Coronavirus Aid Relief and Economic Security Act (CARES Act) which will provide new transit funding to assist LTA during the COVID-19 pandemic. Currently LTA has an agreement with California Department of Transportation under the CARES Act for \$350,680 thru June 30, 2022.

The Local Transportation Authority FY 2020/2021 Budget is balanced and supports the policies of the Board of Directors and the needs of the community.

Goals and Objectives

The Local Transportation Authority goals are to continue transit operations, implement any unmet transit needs, and implement recommendations of the Short-Range Transit Plan to streamline services and maximize funding. The Local Transportation Authority also develops and maintains a comprehensive regional transit system that serves the needs of the community, with particular emphasis on serving transit dependent populations and improving the multimodal transportation network.

The implementations of the Short Range Long Range Transit Plans will continue in FY 2020/2021. The Local Transportation Authority will continue work on improving the transit system during FY 2020/2021, including upgrades to the vehicle fleet and other system infrastructure.
