Staff Report

To: Airport Land Use Commission
From: Norma Rivera, Administrative Services Specialist Telephone: (831) 637-7665
Date: January 11, 2022
Subject: Assembly Bill 361 Teleconferencing Options For ALUC

Recommendation:

ADOPT Resolution 22-01 Authorizing Teleconferencing Options for the Airport Land Use Commission meetings for the Period of January 16, 2022, through February 14, 2022.

Summary:

On September 16, 2021, the Governor signed Assembly Bill (AB) 361, a bill that codifies certain teleconference procedures that local agencies have adopted in response to the Governor's Brown Act-related Executive Orders. Specifically, AB 361 allows a local agency to continue to use teleconferencing under the same basic rules as provided in the Executive Orders under certain prescribed circumstances or when certain findings have been made and adopted by the local agency legislative body.

Financial Considerations:

None.

Discussion:

On June 11, 2021, Governor Newsom issued Executive Order N-08-21, amending his prior Executive Order N-29-20 and waiving certain provisions of the Brown Act relating to teleconferences/remote meetings by local agency legislative bodies. The Executive Order waived, among other things, the provisions of the Brown Act that otherwise required the physical presence of members of local agency legislative bodies or other personnel in a particular location as a condition of participation or as a quorum for a public meeting. These modifications remained in effect through September 30, 2021.

Under Assembly Bill (AB) 361, when the state of emergency lasts longer than 30 days, as is the case presently, the legislative body must make findings every 30 days to continue using the bill's exemption to the Brown Act teleconferencing rules. AB 361 mandates that the legislative body must find that there is a continuing need for teleconferencing due to dangers posed by the ongoing state of emergency. This means that local agencies will have to put an item on the public meeting agenda at least every thirty days to make findings regarding the circumstances of the emergency and to vote to continue relying upon the law's teleconference provisions.

To continue to meet under those modified rules after February 14, 2022 the Board will again need to reconsider the circumstances of the state of emergency and again make one of the additional findings required by AB 361.

Reducing the circumstances under which people come into close contact remains a vital component of the San Benito County and ALUC's COVID-19 response strategy. Local agency public meetings are an essential government function and the last 18 months have proven that the teleconferencing format protects public access while minimizing exposure to COVID-19.

The California Department of Public Health (CDPH) and the federal Centers for Disease Control and Prevention (CDC) caution that the Omicron variant of COVID-19 is spreading quickly throughout the country, is more transmissible than prior variants of the virus, may cause more severe illness, and that even fully vaccinated individuals can spread the virus to others resulting in rapid and alarming rates of COVID-19 cases and hospitalizations (<https://www.cdc.gov/coronavirus/2019-ncov/variants/omicron-variant.html>).

According to the numbers posted on the San Benito County website, as of January 3, 2022, there have been almost 800 new cases since the December 16, 2021, meeting.

Staff Analysis:

Staff recommends that the Board adopt findings that conducting in-person meetings at the present time would present an imminent risk to the health and safety of attendees. A resolution to that effect and directing staff to return each 30 days to afford the Board the opportunity to reconsider such findings, is included herewith. If the Board adopts the proposed resolution, then it may continue to meet under the modified Brown Act teleconference rules of AB 361 through February 14, 2022.

CAO Ray Espinosa
San Benito County AdministrationRe: Recommendation on Social Distancing and Hybrid Meetings

Given the considerable impact on our community from the COVID-19 virus and the Delta and more recently the Omicron variant, I strongly urge all legislative bodies, including but not limited to the County, cities, and special districts, local commissions and committees, and subsidiary bodies, continue social distancing measures for public meetings, including offering, at the legislative body's discretion, a remote or hybrid format for public meetings. Social distancing and masking remain crucial strategies in our fight to prevent contagion. The conduct of public meetings in a remote or hybrid manner enables members of the community to participate from the comfort of their homes without having to risk contracting these viruses by attending in-person meetings.

In addition, these measures help contain the spread of the disease and protect the community. All events public gatherings, including public meetings, create environments where these virus variants can potentially spread among attendees and participants. However, when combined with social distancing and effective masking practices, along with continued efforts to increase vaccination uptake within San Benito County, a remote or hybrid format for meetings maximizes avenues for public access and input and minimizes the risk of infection for the public, agency staff, meeting presenters, and legislative body members as well.

If you have any questions regarding this recommendation, please do not hesitate to contact me.
