Executive Director Abraham reported that SBCOG and Caltrans District 5 solicited proposals to update the SR 25 Corridor Improvement Project VMT Analysis and Traffic Operations and Analysis Report (TOAR). Staff recommended awarding the contract to DKS Associates, the highest scoring consultant, for an amount not-to-exceed \$930,000. In the event that negotiations are unsuccessful, SBCOG will move onto the next highest-scoring consultant.

The Board inquired whether the plan incorporates Speaker Rivas’s AB 2059 related to VMT in San Benito County and requested clarification on the funding sources, including the proportion of state funding versus Measure G funding.

Executive Director Abraham confirmed that AB 2059 provides eligible rural counties with a VMT exemption for roadway projects serving safety or evacuation purposes, provided that required P&ED and EIR are completed within the specified timeframe. Agenda Item No. 7

Prepared By: Norma Aceves, Administrative Services Specialist

Approved By: Binu Abraham, Executive Director

Subject: Fiscal Year 26/27 OWP Amendment 2

Meeting Date: October 15, 2026

Recommendation:

- a. Adopt Resolution 2026-13 approving Amendment 2 to the Fiscal Year 2026/2027 Overall Work Program (OWP); and
- b. **Approve** Amendment 2 of the Overall Work Program Agreement (OWPA) with Caltrans to program carry-over of Rural Planning Assistance (RPA) funds totaling \$98,897.60.

Summary:

Staff recommends approval of Resolution No. 2026-13 to amend the FY 26/27 OWP to carry over \$98,897.60 in RPA funds from the prior fiscal year. The amendment updates the OWP to reflect the carry-over funding and allows SBCOG to recognize and utilize the funds during the current fiscal year.

Background/ Discussion:

As the designated Regional Transportation Planning Agency, the Council of San Benito County Governments (SBCOG) prepared an annual Overall Work Program (OWP) that identified the planning work that the agency will perform during the fiscal year. The document may be amended if changes occur during the fiscal year to reflect priorities, funding changes, and staffing modifications.

Amendment 2 to the fiscal year 26/27 OWP consists of approving Resolution 2026-13 to reflect program carryover of RPA funds totaling \$98,897.60 from the previous fiscal year. An updated fiscal year 26/27 OWPA is enclosed and reflects the funding modifications. SBCOG must carry over state and federal unspent balances, for the funds to be recognized and used in the current OWP budget period.

Financial Impact:

No financial impact. The RPA rollover was already included in the Board adopted budget for FY 26-27.

Prepared October 7, 2026

REPORT PURPOSE: This report lists high profile or moderate to high impact to the traveling public projects on the State Highway System (SHS) in San Benito County (SBt). This report does not necessarily list all projects or encroachment permit activities. To be included in the SBCOG's agenda packet, this report generally begins compiling information two to three weeks in advance of the SBCOG's board meeting. Please refer to Caltrans' News Releases and social media posts for the most up to date road closure information and activity notices.

For information on current roadway conditions and active closures: <https://quickmap.dot.ca.gov/>

For a 7-day look-ahead on planned lane closures, updated each Friday: <https://lcswebreports.dot.ca.gov/searchdistricts?district=5>

If a Commissioner/Commissioner's Alternate of the SBCOG intends in advance to ask about a particular project at the Board meeting, it is kindly requested that they submit their inquiry in advance so that Caltrans staff have time to research details & nuances on the matter.

The projects below are listed in order of State Route, then by beginning post mile. There are two tables of projects displayed:

1. *"Projects in Construction"* (Milestone range: Construction Contract Approval to Construction Contract Acceptance);
2. *"Projects in Development"* (project phases "Project Initiation Document" (PID), "Project Approval & Environmental Documents" (PA&ED), "Plans, Specifications, & Estimates" (PS&E), and "Right of Way" (RW));

The Right of Way phase often overlaps with the Plans, Specifications, & Estimates (PS&E) phase. Oversight Projects are usually only included below when Caltrans is the Lead Agency for a given phase or activity. Maintenance activities are not generally included. Generally, updates since the last publication of the project update list are in **bold** type.
